Review of Trustlands use for salaries

TSSA Report- Shows how we are currently using funds.

 -\$45,900 total funds

 -\$12,000 left that has not been spent yet will be used for Para's and the Summer Reading Program

5. New Business:

Painting blacktop quote- Mary met with the teachers and presented the painting quote. It was too high and since it was over \$5,000 the policy requires the job to be bid out, which is not an option.

They have decided to try and get parents to help and get donations, and ask the High school art teacher to possibly help as well.

TSSA Projected plan for 24/25-

The projected plan is similar to the current year with funding going to the same items

Kane County School District Cell Phone Draft Policy-

Cell phones will be allowed before school, during lunch and after school, but not during breaks or in the classroom except with teacher direction.

The new policy has 1st, 2nd and 3rd offense consequences for breaking these rules.
